- Optional flight data recorder

FLY LIKE NEVER BEFORE

The XLS+ flight deck, powered by Collins Pro Line 21, gives pilots what they need to know, when they need to know it. The suite features weather and navigation systems, electronic charts, detailed flight-status data, checklists, diagnostic systems, and more, all directly in the crew's line of sight. We've added an angled control panel and simpler displays to give the XLS+ the most intuitive flight deck available.

LEADERS IN GLOBAL SERVICE

Every Citation jet is backed by a five-year warranty and the support of private aviation's largest service network. We have a global presence of 15 Cessna-owned Citation Service Centers and 39 authorized Citation Service Facilities. Citation Service runs on the passion of the most talented and skilled aviation experts in the world, all dedicated to keeping your jet flying. Citation's Mobile Service Units bring nearly every maintenance procedure, scheduled or unscheduled, right to your jet. And when a situation calls for an air approach, we'll dispatch our Air Response Team to respond for Citation customers throughout North America.
